

# A HOME WITHOUT PEER FOR A LIFE WITHOUT COMPARE

Jointly developed by CapitaLand Development (CLD) and City Developments Limited (CDL), there is no place quite like CanningHill Piers. On one side lies glittering Singapore River and its vibrant cafes, bars and restaurants. On the other side, the verdant tranquillity of Fort Canning Hill provides the perfect foil. Beyond its unmatched position overlooking two of Singapore's historic sites, this new luxury residence is set to be a landmark in its own right.

Bearing the bold signature of lauded architectural firm BIG—Bjarke Ingels Group, CanningHill Piers rises proudly above Clarke Quay. And as part of a transformative integrated precinct housing an inspired mix of F&B, retail, hotel and serviced residence too — truly, the very best of life is yours for the taking.

## BIG

To bring their vision to life, CLD and CDL have brought BIG—Bjarke Ingels Group on board. Acclaimed for their revolutionary approach and placemaking projects all over the world, this collaboration with BIG has resulted in a new paradigm of city living.

Artfully balancing the private and the public, the integrated precinct is designed for the enjoyment of the residents yet is just as welcoming to the community at large with diverse civic spaces and frontage that extends seamlessly onto the bustling river promenade.

# A NEW VISION OF INTEGRATED LIVING

With three levels of recreational facilities above, three levels of F&B and retail below, as well as direct access to Fort Canning MRT, residents can look forward to conveniences of every kind. Feeling peckish? Simply take the lift down and take your pick of eateries. In the mood for an impromptu party? The gourmet supermarket at the basement has all you need to whip up some canapés, paired with wine or champagne as you please.

In addition to the two residential towers of CanningHill Piers, Moxy Singapore Clarke Quay and Somerset Serviced Residence take up the other two towers, completing this new landmark and social hub of the Singapore River district.
